This is a ground floor flat with a lovely garden in one of the most exclusive areas in the outskirts of Madrid. The owner is a lovely lady with a very big family, whose first premise was to have a house to entertain all her family. In the concept of this house, the most important issue was to create a home to be enjoyed and shared by the family. This was the main reason for the designer to focus on the wide common areas, to design a lovely and beautiful home.

屋主是一个和善的女士，有一个大家庭，她的首要前提是这个房子能招待她所有的家人。这个一层平房有个可爱的花园，位于马德里郊区的黄金地区。这个房子最重要的设计理念是创造一个全家人共享的环境。这也是设计师为了设计一个可爱而美丽的家而专注于这块公共区域的原因。

This house did not need a renewal, it was newly constructed. And the owner did not want to get in masonry works, things the designer projected were to separate the living room areas with huge sliding doors to create one big area to live in and share, and also separate the dining room with the kitchen by a glass . All areas, including dining room, living room and even the porch, needed to host the largest number of people, this is the reason why there are large get-together areas and impressive dining tables.

由于房子是新建的，所以不需要翻新。业主也不想有过多的砌筑工程，设计师所要做的就是用大滑动门隔开客厅，用玻璃隔开餐厅和厨房，预留更多的独立空间给这个大家庭。所有的区域，包括餐厅、客厅，甚至玄关，都需要能容纳大量的客人，这也是这个家里有多个聚会场所和令人印象深刻的餐桌的原因了。
