This is a chalet house in one of the most exclusive areas in the North outskirts of Madrid. The owner is a couple with three children. They focused on creating a young house to enjoy the weekends and summertime. So it needed to be clear, fresh and open. The couple was involved in all the works and details of the project with a lot of enthusiasm. In the concept of this house, the most important issue was to create a house easy to live, easy to share with friends and easy to live with children. This was the main reason why the designer decided to demolish all the walls in the ground floor. The most important thing to highlight in this project is the influx of light. This is what the designer got from the demolition of all the walls.

这个小木屋位于马德里北部郊区的黄金地区。屋主是育有三个孩子的一对夫妻。他们专注于设计一个能享受周末和夏日时光的小屋。因此，这个房子必须光线好，空气清新，视野开阔。值得一提的是，这对夫妻非常热衷于这个项目所有的工作和细节。

这个房子的设计理念中，最重要的问题是要创建一个方便生活和接待朋友，容易与孩子相处的环境。这也是设计师决定拆除一楼所有墙壁的原因。这个项目最吸引人的是大量光线的照射，而这得益于设计师拆除了所有的墙壁。
